"Meet the Chapter" & Townhall Meetings

"Meet the Chapter" meetings are held Saturdays 2PM at the Riverside Perk coffee house (1144 North Bitting Avenue, Wichita, KS) - EXCEPT the 3rd Saturday of every month where we host a monthly Townhall Meeting at 2PM at the downtown Public Library (223 S. Main) to coincide with the globally synchronized Townhall Meetings. The "Meet the Chapter" meetings are held for people to come meet, ask questions, plan local action, and inspire action to educate (including self-education of these issues) and spread awareness towards sustainability and a resource-based economic model. The monthly Townhall Meeting's are hosted by the local TZM chapter and the local FilmsForAction.org chapter (many members participate in both chapters). The current (and evolving) format is to show 3-4 short 3-20 minute films followed by open discussion and Q&A.

Hey. The chapter meetings have been awesome. We just need to keep spreading the word so that more people come and we can get more stuff done. It's been great so far though. Love the atmosphere, the people, and the conversation. :)
